JAPANESE HIGHBALLS

12.90

Japanese highballs are the very essence of simplicity, served with perfection. Bursting onto the bar scene over 60 years ago, they're currently enjoying a resurgence in popularity, gaining cult status across many of Japan's top bars. This is an art form, not just a drink, and the devil is in the detail. We serve ours over ice, gently stirred with classically paired ingredients. Easy drinking, they pair perfectly with food and are discerningly session-able!
